Discount for Waste Minimisation 2014

As part of our commitment to the environment, the principals of which are laid out in our Environment Policy Statement, this is part of our plan to reduce the amount of waste left at the centres at the end of each event.

Our Commitment to You:

- We are offering clients a £2.00 net discount over and above their agreed day delegate rate if they leave one standard refuse sack or less of waste at our Centre.
- For those clients on a room hire charge we will offer a £100 discount off the agreed rate again if they leave one bag or less of waste.

Your Commitment to Us:

- We will charge a surcharge of £1.00 net per delegate if more than one bin bag of waste has been left.
- On a room hire basis we will levy a surcharge of £75.
